### Centennial Patriot Boosters

The Centennial Patriot Boosters is an organization made up of parents and teachers. We are similar to a PTA but, since we are our own organization, all of the money we raise goes directly back to Centennial. Our purpose is to support our school community (staff & students) by providing funding for staff requisitions or volunteers for various events/projects.

The Centennial Patriot Boosters are proud to support the Academics, Activities, and Athletics of CHS. In addition to volunteer support we also provide financial support to the school. The Booster Club currently raises funds through the annual Gala, spirit wear and memberships (\$30/year).

The only overhead we have is the cost of the spirit wear. 100% of your membership and all profits from spirit wear sales are given back to Centennial that school year.

Our mission is to provide lasting value in all that we do for Centennial. We function to promote school spirit and foster a sense of community within our school community.

Please visit our website to learn more about us, become a member and find information about spirit wear. You can also join at [www.myschoolfees.com](http://www.myschoolfees.com).
