Centennial Patriot Boosters

The Centennial Patriot Boosters is an organization made up of parents and teachers. Our purpose is to support our school community (staff & students) by providing funding for staff requisitions or volunteers for various events/projects.

We fundraise in 3 areas so that we are able to fund our staff requisitions: 1) Once a year with a fall event. 2) We operate and staff the school spirit store located in the main hall. 3) Our parents join our group for \$30/year.

The only overhead we have is the cost of the school spirit wear. 100% of your membership and all profits from Spirit Store sales are given back to Centennial that school year.

Our mission is to provide lasting value in all that we do for Centennial. We function to promote school spirit and foster a sense of community within our school community.
