Centennial Patriot Boosters

The Centennial Patriot Boosters is an organization made up of parents and teachers. Our purpose is to support our school community (staff & students) by providing funding for staff requisitions or volunteers for various events/projects.

We fundraise in 3 areas so that we are able to fund our staff requisitions: 1) once a year with a fall event. 2) We operate and staff the school spirit store located in the main hall. 3) Our parents join our group for \$30/year
The only overhead we have is the cost of the school spirit wear. 100% of your membership and all profits from Spirit Store sales are given back to Centennial that school year. Our mission is to provide lasting value in all that we do for Centennial. We function to promote school spirit and foster a sense of community within our school community.

BONE CHILLER - OCTOBER 14 - 17 - LITTLE THEATER

Come see Image Factory's fall production of *Bone Chiller* by Monk Ferris. Thirteen people gather on Friday the 13th at the Travers mansion in New York for the reading of Josiah's will, which is a wall chart rendered in the form of a rebus (a part word, part drawing puzzle) that almost defies solution. Instead of designating an heir, it offers the estate to anyone who can solve the will! The lights keep going out and people keep getting murdered. The audience will have a ball trying to untangle the puzzle faster than the hapless characters. By the final act, revelations are exploding as surprise piles upon surprise and gasps alternate with howls of

Good Luck to the Marching Band at the District III Marching Band Competition on Saturday, October 17th at Eagle High School. If you want to attend, contact Brittany Brown or a member of the marching band for tickets.
