The **GAPP (German American Partnership Program)** is under way for the 2017-2018 school year. This is a reciprocal exchange where a German student from a town near Stuttgart comes to stay with a Centennial student and then that Centennial student will travel to Germany and stay with the German student that stayed with him/her. All students who are currently taking German at Centennial are eligible for this program. October 13 we will have 22 high school students and their 2 teachers stay 3 weeks with families from Centennial. These students will attend school and take field trips to learn more about Idaho, it's history and culture. In June 2018, we will stay with these German families in Stuttgart, Germany and learn about their culture, school and family structure. If you happen to meet one of these German students, be sure to introduce yourself!

Mark your calendars: **The Armed Services Vocational Aptitude Battery (ASVAB)** will be given at CHS on October 24th in the library from 8AM - 12PM. This is a free military entrance exam and an excellent aptitude tool for those wishing to use it for career exploration purposes.

Are you interested in playing girls' basketball? Tryouts begin on **October 30th** at 3:15 pm in the main gym.

ACT and SAT PREP

Are you interested in ACT or SAT prep classes? Mr. Boynton (room 208) will be teaching a series of FREE prep classes beginning in October. Contact him or Mrs. Townsley in the Career Center for more information.
